Island Queens Restaurant is a private owned and operated corporation which provides a 900 square foot commercial kitchen space for food related businesses. Our goal is to assist businesses and new entrepreneurs the opportunity to have a well-equipped certified commercial kitchen space where they can create without the worries of the overhead or operations of a brick and mortar.

The next step in this application process is to meet with one of our staff to complete your membership application, tour the kitchen, and get answers to any questions you may have.
